

CONCORDE BATTERY CHARGERS AND DISCHARGERS

www.concordebattery.com

Concorde Battery Corporation is a manufacturer of premium quality sealed lead acid batteries and battery accessories for **civilian**, **commercial** and **military** aircraft.

12V/6A or 24V/3A charger
w/carry case
Advanced microprocessor
circuitry, correctly charges
any type or capacity battery
Reverse polarity protection
VAC in 110V, 50/60Hz

Price: R1,250 excl.

CA1550 charger/analyser
12/24V constant current or
constant potential charger
Discharge from 1-50A
Charge at 1-25A
VAC in 115-230V adjustable
For lead-acid or NiCad

Price: R41,750 excl.

The Company

- Founded in 1978 to develop and manufacture aircraft batteries for US Military
- Qualified more types under Mil-B-8565 than any other manufacturer
- Only manufacturer qualified to produce all types under Mil-B-83769
- Provided US DoD with over 90% of all lead acid aircraft & shipboard batteries
- Over 150,000 military aircraft batteries delivered to date
- Manufacturing facility fully qualified under the FAA PMA process
- Manufactures a full line of batteries for commercial aviation
- Distributors located in South Africa, Canada, Europe, Pacific Rim and the U.S.A.

12V/20A or 24V/20A charger
w/carry case
Advanced microprocessor
controls adjust to meet
any lead acid technology
VAC in 85-136V, 50/60Hz

Price: R4,500 excl.

Activator 282 charger
Fully automatic
3 voltage settings (28.5, 30, 31)
VAC in 90-260V, 43/63Hz, 1A,
3-wire grounded

Price: R4,750 excl.

Beta D50 Analyser
12/24V adjustable constant
current discharge from 1-50A
VAC in 190-270V, 50/60Hz, 8A
For lead-acid and NiCad

Price: R 28,500 excl.

Alpha C20/25 charger
12/24V constant current or
constant potential charger
Charge at 1-25A, dual isolated
output
VAC in 120/220V, 50/60Hz, 15A
For lead-acid and NiCad

Price: R 21,000 excl.

Concorde is committed to the proposition that the customer deserves the best performing and highest quality product. It is Concorde's commitment - to meet the needs of the customer - that sets it apart.

Aztec Electronics has a CAA(SA) licensed battery shop: license No. AMO 54
